

HELLO
IM BARTIE

AT THE BOTTOM OF THE BARTLE HALL GARDENS LIES WILLOW WOOD, A MAGICAL WOOD THAT IS HOME TO MANY EXCITING ANIMALS INCLUDING ONE VERY SPECIAL SQUIRREL NAMED BARTIE!

ALL YEAR ROUND WILLOW WOOD PLAYS A VERY IMPORTANT PART IN THE LIVES OF BARTIE AND HIS FRIENDS; IT GIVES THEM FOOD, IT GIVES THEM PLAYGROUND AND IT GIVES THEM A HOME!!

WILLOW WOOD IS SUCH A SPECIAL PLACE TO THE ANIMALS, BARTIE LIKES TO KEEP IT THIS WAY BY HELPING NEW TREES GROW. BARTIE'S FAVOURITE FOOD IS ACORNS, BUT BARTIE KNOWS THAT ACORNS GROW INTO BIG OAK TREES WHICH BECOME HOMES FOR A LOT OF HIS FRIENDS SO EVERY TIME HE FINDS ACORNS HE DIGS A SMALL HOLE IN THE SOIL AND HIDES TWO; ONE FOR HIS DINNER AND ONE TO GROW INTO A BIG, BIG TREE TO MAKE SURE ALL THE ANIMALS IN WILLOW WOOD HAVE A HOME.
